Procurement Code & Regulations

The Consolidated Procurement Code, which is available on the General Assembly's [web site](#), appears in Title 11, Chapter 25 of the South Carolina Code of Laws. Procurements subject to the Procurement Code are also governed by procurement regulations promulgated by the South Carolina Budget and Control Board. These regulations, which are available on the General Assembly's [web site](#), appear in article 19 of the South Carolina Code of Regulations. The Procurement Regulations begin at Regulation 15-445.2000. When you open the link to the General Assembly's website, scroll to approximately page 85 and look for the heading "15-445 Consolidated Procurement Code."

Standard Clauses & Provisions

Find anything you may need to know about the State's Standard Clauses & Provisions...

1. Compendium, Version 2.0.2 (September 2017)

Issued: 9/22/17

Version 2.0.2 incorporates all changes made since the initial draft version issued in 2006, including all changes made with Version 1.1, the 2015 Interim Clause Set, Version 2.0, and Version 2.0.1. It also includes the Inter Investment Act clauses, the Open Trade Act clauses, and Clause No. 2407-1, Questions from Officers - Amendment (June 2017), as well as Appendix CC, Drafting Solicitation Amendments for O&A (July 2017).

Attached please find the following:

- Procurement Compendium, Version 2.0.2 (September 2017) in PDF format
- Table of Clauses (September 2017) in MSWord format for non-SCES users (SCES Users - see note below)
- Table of Clauses - Redline from v2.0.1 to v2.0.2

Forms: Forms appearing in the Compendium's appendices are separately posted on this page in MSWord and PDF format under the heading Forms.

SCES Users: Effective September 11, 2017, the contents of this version parallel the contents of the database used by SCES to generate solicitations using Document Builder. Document Builder must be used to generate every solicitation, including any amendments that contain standard clauses or provisions. The version of the Table of Clauses posted below in MSWord is provided to facilitate use of Compendium clauses by non-SCES users. NOT to facilitate the use of clauses by cutting and pasting. When adding clauses (e.g., user-selected clauses), all SCES users should do so using the Document Summary tab in document builder. This is the only way to insure you have the latest version of a clause and the only way for user-selected clauses to be automatically added to your Additions-generated table of contents.

Standard Clauses & Provisions

...including the complete compendium with clauses, guidance, and other resources.

Table of Clauses (SEP 2017)

Clause #	Text	Guidance on Use
6030-1	AWARD CRITERIA - PROPOSALS (JAN 2006) Award will be made to the highest ranked, responsive and responsible offeror whose offer is determined to be the most advantageous to the State. [06-6030-1]	Use this clause in any request for proposals. In a RFP, you must define the evaluation criteria. Accordingly, use this clause in conjunction with the evaluation clause entitled EVALUATION FACTORS - PROPOSALS [06-6055-1]
6035-1	AWARD TO MULTIPLE OFFERORS (JAN 2006) Award may be made to more than one Offeror. [06-6035-1]	Use as appropriate.
6040-1	AWARD TO ONE OFFEROR (JAN 2006) Award will be made to one Offeror. [06-6040-1]	Use as appropriate.
6045-1	BIDS RECEIVED AFTER AWARD - FIXED PRICE BIDDING (JAN 2006) Offerors not responding to the initial solicitation may be added to the awarded vendors list provided the bidder furnishes evidence of responsibility and responsiveness to the State's original fixed price bid as authorized by the solicitation. [06-6045-1]	Use as appropriate.
6050-1	CALCULATING THE LOW BID [06-6050-1]	If appropriate, you must develop a unique formula to determine the low bid. Examples: [1. In determining the low bid, the price of the lot alternate will be compared against the sum of the price of the individual lots.]
6055-1	CALCULATING THE LOW BID - MAINTENANCE (JAN 2006) In calculating the low bid, the price of your annual maintenance, less any included initial warranty period, will be considered. [06-6055-1]	
6057-1	COMPETITION FROM PUBLIC ENTITIES (JAN 2006) If a South Carolina governmental entity submits an offer, the Procurement Officer will, when determining the lowest offer, add to the price provided in any offers submitted by non-governmental entities a percentage equivalent to any applicable sales or use tax. S.C. Code Ann. Regs 117-304.1 (Supp. 2004). [06-6057-1]	Include this provision if you have any expectation that a state agency will submit an offer.

This site includes all statewide term contracts available for use by all state agencies as well as contracts awarded by the Procurement Service of an individual agency.

Under state procurement law, individual agencies have authority to conduct some procurement activity, typically for smaller purchases. Current contracts are not part of this database because not all agencies have transitioned to the S.C. Enterprise Information System. If you cannot find your are seeking or have other questions, please call (803) 733-0500 for more information.

Public sector buyers are reminded that not all contracts listed on this site are available for all governmental entities.

For more information on state procurement laws and regulations, go to www.scca.sc.gov/PS&FS/index.php
