Silent Auction

Members, vendors, and community members interested in supporting the certification scholarship may do so by:

- Contributing a monetary donation to the scholarship fund;
- Donating a gift to the annual silent auction held each year during SCAGPO's annual Professional Development Forum and Trade Show; or by
- Participating in the auction.

Proceeds from each year's silent auction are used for scholarships awarded in the following year. Those interested in making a contribution may do so by forwarding a completed copy of the silent auction contribution agreement to the certification committee.
