Greetings!

Welcome to SCAGPO's 43rd Annual Professional Development Forum and Trade Show!

As President of SCAGPO during the years of 2020 and 2021 and on behalf of the Board of Directors, it is my great pleasure to welcome all Forum attendees both in-person and virtually from South Carolina and Illinois by way of the Illinois Association of Public Procurement Officials (IAPPO)! I am elated to be a part of history during these unprecedented times. Truly, we're progressing in the "New We Thought We Knew". The board and I are very grateful to all members of SCAGPO who have weathered the storm and persevered by continuing their professional development by achieving certifications, attending trainings virtually and participated in study groups and mentor-ships. Together, with our drive for success fueled by determination, we "Knew" we could accomplish our goals.

Special thank you to LaWana Robinson-Lee, Vice-President and Program Committee Chair, for all of her dedication and hard work creating an awesome agenda with the assistance of her team. This year's Forum is filled with energy and education. Please take advantage of everything it has to offer.

I would also like to thank the incomparable Stacy Gregg, Forum Chairperson. You make the task of coordinating the Annual Forum effortless. Thank you for all that you do both day and night to benefit SCAGPO. I also commend the Forum Committee as well for their hands-on efforts that are required to make every aspect our experience memorable.

Finally, I would like to thank the 2020 and 2021 Board of Directors, Committee Chairpersons, Committee Members and Volunteers for your service to SCAGPO; and to the SCAGPO Membership for allowing me the opportunity to serve you as President over the past two years. I will always be indebted to you all for this honor.

Enjoy the Forum!

Art Moore
President of IAPPO

As we transition back to in-person learning, I want to take a moment and thank SCAGPO for thinking outside of the box and joining with Illinois to present training opportunities for our membership during these difficult times. It is innovating ideas like this that helps grow the profession and establishes life long partnerships and friendships. I hope that everyone enjoys this unique learning experience. Illinois and South Carolina have formed a bond that will help both chapters grow and continue to provide meaningful benefits to our membership and the profession.

Welcome to the SCAGPO/IAPPO joint hybrid conference!

LaWana Robinson-Lee

Vice- President

Program Chair

Salutations!

Welcome to the SCAGPO/IAPPO Joint Hybrid Annual Professional Development Forum and Trade Show. This is our 43rd year of service to the procurement profession. This year's forum format is the first of its kind for our organization as we are partnering with the Illinois Association of Public Procurement Officials for professional development in-person and virtual!

I encourage you to network in person or virtually and make new connections! The program book and App are provided to help you navigate your way. Use the Forum App to share your thoughts, comments, and pictures throughout the week. With the app you can create your own schedule of sessions you wish to attend, use the hotel map, and message other attendees. It is important for us to receive your feedback on the sessions and this can be provided using the App.

Take the time to visit the vendors at our trade show. You may find a new product or service that you didn't know existed. Be sure to thank our sponsors and vendors for supporting our Forum. Their support makes our forum and other events a success!

For those of you that are in-person we want you to have fun, socialize and follow the safety protocols. If you need assistance, the Program and Forum Committee members will be glad to help you!

Lastly, I'd like to thank my committee, DENISE, LATASHA, DEBORAH, NATHAN, KIM, GEORGIA, SHATEKA & TAMMY, for all of their hard work, recommendations, scouting and going above and beyond to ensure the success of our forum. You all made it HAPPEN!

Welcome to the NEW YOU THOUGHT YOU KNEW!

Audiences learn the healing power of humor when handling negative people and circumstances for more productive, positive living. Jane’s life stories and humor leave audiences with the same message she lives- “prove people wrong and laugh while living your dreams.”

With a sense of humor and smart work, Jane traveled from the rows of her family farm to the runway of the Miss America Pageant all the way to performing at Radio City Music Hall. She graduated from college with the highest honors voted by her peers and continued on to graduate school. Her successes continued to pile up from there. Today, Jane travels around the world featured at speaking events in New Zealand and Germany as well as several venues around the United States.
